. . . In the stillness of knowledge came and stood by my bed. She gazed upon me like a tender mother and wiped away all of my fears of tomorrow, and whispered softly and said, "Come with me and I will show you the way of truth". . .

CONGRATULATIONS TO THE CLASS OF 77

Go forward in life, meet every crossroad with courage, greet each day with a challenge, and each night to remember . . . Go forward and have no fear of the thorns on your paths, for the paths that you weave are but bonds between you and your fellowman. Go forward . . . and may the wind forever be to your back.
